

# HEARTS ON FIRE

## RING SIZE GUIDE

- Step 1 Print this guide in A4 size (210 x 297mm) and scaled to 100%\*.
- Step 2 Use an existing ring that fits you well. Match the inside of the ring with one of the circles below. You should see only the white circle, with no grey space, inside your ring.
- Step 3 Match your ring to the dimension chart to find your perfect size. If it falls between two sizes, it is recommended to choose the larger one.

### \*PRINTING INSTRUCTION

To ensure accuracy, open your printer settings and set 'page scaling' option to 'none'. This guide must be printed on A4 (210 x 297mm) paper. After the Ring Size Guide is printed, take a ruler to measure and ensure the sample line below is exactly 50mm.

Please note that the Hearts On Fire Ring Size Guide is for reference only. Actual fit and comfort may vary depending on specific ring style.
